

Name _____

2. Blizzard Bag for Symphonic Band BASS CLEF INSTRUMENTS

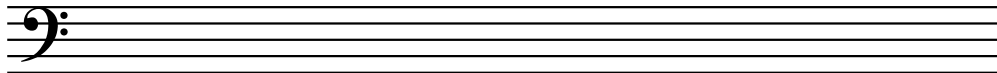

Instrument _____

Use pencil and write neatly. Practice the chromatic scale written below for the full range of your instrument. Strive for accuracy, smooth slurs, tone, tuning, fingerings, fluency, and technique. Practice the scale for at least 30 minutes. Mark the lowest note that you can play with a good tone with an "L." Mark the highest note that you can play with a good tone with an "H."

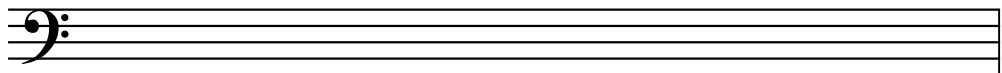

In the blank measures below, write a sequence of four notes that you feel you need to practice more and then practice each of the three measures for 5 minutes.
