Staffing Plan for 2013-2014		
Directions: Explain in a concise and coherent manner, how your district will be staffed next year to ensure all third grade students that are retained or on a reading improvement and monitoring plan will receive the high-quality reading instruction necessary to enhance and accelerate their reading growth.		

For this school year (2013-2014), the district will continue to consider the qualifications of the teacher as well as the needs of each student when making student placements ensuring that children who are currently on a reading improvement and monitoring plan have preference in regard to having a highly qualified teacher per the third grade guarantee.

The district will also encourage staff to participate in the rigorous test of principles of scientifically research-based reading instruction.
