

Physical Education Exemption Procedures and Guidelines

High school students who have participated in interscholastic athletics, marching band, and/or cheerleading at Bowling Green High School for at least two full seasons may be exempt from the high school physical education requirement. Those students must complete one-half unit, consisting of at least sixty hours of instruction in another course of study to meet the graduation requirement of 22 total credits.

Procedures

- Students will receive the PE Exemption Form during their 8th to 9th grade registration meeting.
- Students will turn in the PE Exemption Form to their High School Counselor by the designated date on the form.
- Counselors will mark the date the PE Exemption Forms were received, make a copy for their own files, and then forward all forms to the Athletic Director.
- Each season, the Athletic Director will notify the coaches of participants.
- At the end of each season, the Athletic Director will ask each coach to date and initial that the student has completed the full season.
- Once two seasons are complete, the Athletic Director will sign and return the PE Exemption Forms to the appropriate High School Counselor.
- The High School Counselor will enter PE Waiver with a Pass, No Credit (PNC) into the student's course history/transcript. The PNC will not affect the student's GPA.
- Completed PE Exemption Forms will be filed in the student's permanent file.

Guidelines

- Students will have two years to complete the athletic participation indicated on the form, otherwise they will be required to add a traditional PE course to their junior or senior class schedule.
- If a student has not completed two full seasons of athletics prior to starting his/her senior year, the student will automatically be placed in a PE course at Bowling Green High School by a High School Counselor. In order to ensure graduation requirements will be met, the student will be required to complete the PE requirement in a traditional setting.
- PE Exemptions will begin with fall 2014 athletics for grades 9, 10 and 11. Athletic participation prior to fall 2014 will not be accepted.
- Students must complete the full season in order for their participation to qualify for the PE Exemption. Any season during which a student quits or is cut from the team cannot be used to meet the two-season requirement.

- If a student has participated fewer than 60 hours during a season due to ineligibility, suspension due to a Code of Conduct violation, or injury, the season cannot be used to meet the two-season requirement.
- Students cannot combine one season of athletic participation with one traditional PE class. Students must choose either to complete two traditional PE courses, or two full seasons of interscholastic athletic participation.
- Other activities outside of the school-sponsored athletics (show choir, club sports, travel teams, etc.) cannot be counted toward the two seasons of Physical Education.
- All appeals will be handled by the Athletic Director and Principal.
