F.Y.I

MS tryout dates will be announced at camp (plan for a week or two before school starts). All athletes must be present on all of the try-out days if they wish to make one of the volleyball teams. Please schedule vacations and appointments around these dates. There will not be any exceptions.

No player will be allowed to try out for a team unless they have a current physical form on file with the school and have given the coach an emergency medical and concussion form at the start of tryouts. Again, there will be no exceptions for this...this is state mandated!
