.....
 The Bowling Green City Schools Board of Education is responsible for setting policy to govern effectively the district and ensure students are receiving excellence in education. It is also responsible for the hiring of faculty and staff and overseeing the financial health of the district. The Board provides vision, structure, accountability, and makes decisions in the best interests of students. It also works with the Superintendent to develop short and long-term goals to position the district as one of the best in the State of Ohio. Finally, the Board advocates for strong partnerships with the community, university, and families with the goal of preparing students to live successfully in a diverse and global society.

*Policy 0160- Meetings: Each person addressing the Board will give his/her name, address & applicable group affiliation. If several people wish to speak, each person will be allotted three minutes until the total time of thirty (30) minutes is used. During that period, no person may speak twice until all who desire to speak have had the opportunity to do so. Persons desiring more time should follow the procedures of the Board to be placed on the regular agenda. The period of public participation may be extended by a vote by the majority of the Board.
